2026 Statistical Profile Instructions

Welcome to TeD (Tennessee Electronic Database)

The Church Leadership Information page is now open and remains open year-round so churches can keep the information current whenever they have a leadership change during the year. Up-to-date contact information for the church's ministerial and lay leaders allows Associational and TBC ministry partners to keep in touch with your church. We have tutorials at [this site \(tnbaptist.org/annual-church-profile/\)](http://tnbaptist.org/annual-church-profile/) to help you upload your leadership information. You can also contact your associational office, the Tennessee Baptist Mission Board at (615) 373-2255, or email TeDHelp@TNBaptist.org.

The 2025 ACP Statistical Profile is now closed. Lifeway will release the complete SBC-wide report through Baptist Press in late April or early May.

The 2026 Statistical Profile page will open in mid-June and remain open through early March of next year. Churches whose church year corresponds with the school year (July, August, or September) can upload their reports prior to their Associational Fall meeting. Churches whose reporting year ends in the last quarter (October, November, or December) will have adequate opportunity to upload their information in the opening months of the following year.
