### This is a new project that is for mentoring young pastors.

The purpose of this project is to offer support to the local pastor of the church who has a potential candidate that is showing evidence that God may be calling him to pastoral ministries. We will support the pastor in mentoring the candidate in five areas of gospel ministry. The Dyer Baptist Association will also support the mentoring pastor with resources from selected pastors who are gifted in various areas of training. The training will be about one semester (3-4- Months). Each student will receive a certificate of completion and a gift of resources for future study. Our hope is that some men in the Dyer Baptist Association would complete this project and accept the call to pastoring a church in the Associational area who do not have a pastor.

### Each pastoral candidate will be trained in the following areas:

**Sermon Prep-** Will be able to prepare an effective sermon.

**Church Ministry-** Will be proficient in handling a church service and special events.

**Pastoral Ministry-** Will begin to learn the many facets of congregation care.

**Evangelism/Discipleship-** Will know how to lead another person to salvation in Jesus and how to lead them to grow in their faith.

**Personal Ministry-** Will know the importance of personal spiritual growth while maintaining personal health and relationships.

For more information you can contact the Associational Office (731) 285-2727 for a list of committee members.
