Notes Along The Journey

The Baptist Campus Ministry and DBA Ministry Center – About a year and a half ago, we moved our DBA offices to the building that all of us affectionately call "The BCM." This move was approved by messengers at our annual DBA meeting in October 2021. Since that time we have completed a renovation which has made the inside of our building look much more appealing. People who now come to our building comment in a positive way and seem to favor what has been done.

In a recent BCM Committee meeting, we discussed some other needs of our building, especially regarding our kitchen. We didn't include the kitchen in our renovation due primarily to the cost. But we have continued to use the kitchen for various ministry events. In this recent meeting, we identified several equipment needs that would make the kitchen more functional.

The Committee asked our BCM Director, Brittany Harwell to gather prices on the equipment that we need. This equipment includes an industrial refrigerator, a stove with a double oven, a dishwasher, and a multi-level food warmer. Brittany estimates we will need about \$4000.00 One church has already contributed \$1000 toward these purchases. If your church would like to contribute to this need, please send the money payable to: Dyer Baptist Association, BCM Kitchen Improvement.

By the way, we are gathering bids to improve our security system. We hope to present this information at the Quarterly Executive Board Meeting in April.

Quarterly Executive Board Meeting - On April 9, our Executive Board members will meet at Curve Baptist Church. We will enjoy a meal at 6 pm and the Meeting will begin at 7 pm.

As many of you know, the state is doing road construction on Highway 51 in that area. Bro. Lynn King, pastor of Curve Baptist, suggests we take Highway 88 from Halls, TN and travel south through Gates where it continues as Highway 209. This highway will lead to the Curve community. If you have any questions, you can contact the DBA office at 731-285-2727.

Enjoying the Journey, Dennis R Jones, DOM

Illuminations- Bible Translation

Making God's Word Accessible to All People By 2033

With approximately 80% of the 404,000 Matengo speaking people in Tanzania identifying as Christian, the need to have the Bible translated into their heart language had become obvious. Currently, the Matengo translation team has completed only 65% of the Matengo New Testament. They continue to work had to finish the New Testament so that they can start translating the Old Testament as well.

The Matengo translation team launched the Gospel of Mark and distributed it to the Matengo speaking people. Finally, all the people could understand the Good News message for the first time! As they started reading and studying the Scripture, many of the women in one village began praying for the translation of the whole Bible. They said, 'We now understand the plan God has with our lives.' The people in the community also pray for TWFTW, as they now realized how important it is to receive the Bible in their heart language.
